

Dear Event Coordinator,

Spa 23 is the perfect place to hold your school's project graduation. Not only do we offer you a private facility devoted to your school, we coordinate your entertainment and catering. We've picked the best from the industry in order to make your event memorable as well as your involvement in the organizing, planning and execution, painless and enjoyable.

Spa 23 offers an Olympic Style indoor pool complete with coed hot tub. We provide certified lifeguards to ensure the safety of your attendees. We have Racquetball courts that can be used for a variety of events, including Racquetball, handball, volleyball or assorted entertainment venues, provided by our Entertainment Company. Three Private Function rooms allow for a variety of organized entertainment to be offered simultaneously. We help you select the activities and packages best suited for your size and needs. We are able to accommodate up to 300.

Our entertainment packages are attached. We look forward to helping you select the package best suited for you. Our caterer takes care of dinner upon arrival, including set-up and clean up. They leave snacks for you over night and return to set up breakfast prior to your departure. We offer a variety of catering packages and look forward to planning your event to meet your needs.

Please contact us to set up a tour of our facility and so we may answer your questions and get your party planning efforts under way. Let me and my staff take care of you.

Sincerely,

Laura Severance
Program Director
