

## **Spa 23 SleepOver Events**

Spa 23 is pleased to offer sleepovers for groups and scouts! Sleepovers are offered on Saturday nights only, from 11pm to 7am. Most groups add on a sleepover event to a private party or fun night event.

### **Sleepover event requirements:**

Your group provides sleepover chaperones (at least 18 years old) at a ratio of 1 chaperone per 5 kids.

Cost is \$15/child with minimum 40 children required. There is no charge for chaperones.

Spa 23 provides 2 overnight chaperones.

Your group may provide its own breakfast. We have a coffee and tea service available as well as a breakfast package if you are interested.

Our chaperones will wake your group at 6am. You are welcome to shower and have breakfast. We do ask that your group is ready to vacate Spa 23 by 7am, so we may reopen to our members.

We look forward to booking your overnight event.

Please contact our Program Director to get your event scheduled and for more information.
